

Farmington's Conservation Committee

*Invites the public to learn about the Benefits,
Rights and Responsibilities for our Downtown Trees*

Tuesday, May 16th

3:30 PM

at the Old North Church

Patty Cormier, forester

Will talk about the survey of trees downtown done by the Conservation Committee and what these trees mean for Farmington.

Philip Hutchins, Farmington Public Works Director

Will talk about the rights and responsibilities of citizens when dealing with trees on or near the public right of way

Light Refreshments will be served
