

FARMINGTON RECREATION DEPARTMENT

MIDDLE SCHOOL LACROSSE

Directors: Griffin Conlogue & Zac Conlogue

The Rec. Dept. is now taking registrations for any Farmington area students in grades 7 and 8 who want to take part in the Lacrosse program. **The deadline for registering is 5:00 p.m. on Friday, May 10th.**

Participants will meet on Tuesdays and Thursdays from 2:30 - 4:30 in the Little League field at Hippach, **beginning Tuesday, May 14th and continuing until Thursday, June 6th.** The program is geared toward those who want to get serious about preparing for high school level play. Experienced players will have the opportunity to hone their skills and become more effective on the field. Less experienced players with a desire to play will be given the foundation to flourish in the sport of lacrosse. Participants will be guided through technical drills with an opportunity to apply what they learn during scrimmages.

Sticks, gloves, mouth guards and helmets will be provided by the Rec. Dept.

Please note: This program is limited to the first 18 to register. Any additional personal protective equipment is the responsibility of the participant.

This year's program directors will be Griffin and Zac Conlogue. Griffin has been a volunteer coach for the Rec. Dept. and played lacrosse at the varsity level all four years of his High School career. Zac is a former director of the Lacrosse program who was a stand-out athlete at Mt. Blue.

The standard **Registration Fee is \$ 25.00** and will be asked of all players. This should be paid by check to Griffin Conlogue. There is a **\$ 5.00 Non-Resident Fee** charged to participants who do not reside in the town of Farmington (Farmington, West Farmington, Farmington Falls or Fairbanks) or whose parents do not pay property taxes to the Town of Farmington. Insurance coverage for players, if desired, is the responsibility of the participant.

For more information about our Lacrosse Program please contact the Recreation Department office located in the Farmington Community Center at 778-3464.

**REGISTRATION FORMS CAN BE RETURNED TO THE RECREATION DEPARTMENT OFFICE
IN THE FARMINGTON COMMUNITY CENTER THROUGH FRIDAY, May 10th FROM 9 TO 5**

This is not a Mt. Blue RSD sponsored activity, but its information is being distributed through the public schools as community service. All costs associated with this flyer are paid for by the Farmington Recreation Department.
