

Welcome! On behalf of the men and women of the Farmington Police Department, I would like to personally welcome you to our department's website. It is our hope that this site will provide you with a greater understanding of the services that the department provides to our community. Additionally, we will continue to update our web pages with information that all members of the community will find useful and important.

Our website is just one way of demonstrating the sense of commitment, professionalism and dedication that the members of our department strive to achieve. We believe a critical component of our mission in creating a feeling of safety for people within the Town of Farmington is the obligation to keep you informed of the many officers, individuals and activities of the Farmington Police Department.

This website is prepared with recognition of the department's mission, values and organizational philosophy. All of our efforts are designed to this end; that we are always working to better serve and protect everyone who lives, works and visits the Town of Farmington. We welcome your comments, thoughts, and observations.

Sincerely,
Jack D. Peck, Jr.
Chief of Police
