## ITEM 3: \*To Hold a Public Hearing on a Proposed Amendment to the Town of Farmington Revolving Loan Fund Management Plan

Richard Davis said the proposed amendment will give the Finance Director the authority, with the concurrence of the Town Manager, to do payment adjustments and/or loan rescheduling with the RLF recipients on a case by case basis. This is in response to the current financial crisis. If the loan recipients find themselves in trouble because of the forced downturn in business, this will give the Town some flexibility to work with them.

Chairman Joshua Bell opened the Public Hearing under Item 3 at 6:52 P.M.

The Board concurred that this is the right thing to do given the new developments that are coming out every day.
