Sexually Oriented Business Ordinance
Chapter 11
Land Use

11 - 12.1 Title:
This ordinance shall be known and cited as the “Town of Farmington Sexually Oriented Business Ordinance” and will be referred to herein as “this Ordinance”. This Ordinance limits Sexually Oriented Businesses to the zoning district(s) specified under the Zoning Ordinance Table of Uses; prescribes definitions of Sexually Oriented Businesses; provides for permitting/licensing and regulation of Sexually Oriented Businesses and employees; and provides for additional miscellaneous standards for Sexually Oriented Businesses.

11 – 12.2 Authority and Applicability:

WHEREAS, sexually oriented businesses require special supervision from the public safety agencies of the Town in order to protect and preserve the health, safety, and welfare of the patrons of such businesses as well as the citizens of the Town; and

WHEREAS, the Board of Selectmen finds that sexually oriented businesses are frequently used for unlawful sexual activities, including prostitution and sexual liaisons of a casual nature; and

WHEREAS, the concern over sexually transmitted diseases is a legitimate health concern of the Town which demands reasonable regulation of sexually oriented businesses in order to protect the health and well-being of the citizens; and

WHEREAS, permitting is a legitimate and reasonable means of accountability to ensure that operators of sexually oriented businesses comply with reasonable regulations and to ensure that operators do not knowingly allow their establishments to be used as places of illegal sexual activity or solicitation; and

WHEREAS, there is convincing documented evidence that sexually oriented businesses, because of their very nature, have a deleterious effect on both the existing businesses around them and the surrounding residential areas adjacent to them, causing increased crime and the downgrading of property values; and

WHEREAS, it is recognized that sexually oriented businesses, due to their nature, have serious objectionable operational characteristics, particularly when they are located in close proximity to each other, thereby contributing to urban blight and downgrading the quality of life in the adjacent area; and

WHEREAS, the Board of Selectmen desires to minimize and control these adverse effects and thereby protect the health, safety, and welfare of the citizenry; protect the
citizens from increased crime; preserve the quality of life; preserve the property values and character of surrounding neighborhoods and deter the spread of urban blight; and

WHEREAS, the Board of Selectmen has determined that locational criteria alone do not adequately protect the health, safety, and general welfare of the people of this Town; and

WHEREAS, it is not the intent of this Ordinance to suppress any speech activities protected by the First Amendment, but to enact a content neutral ordinance which addresses the secondary effects of sexually oriented businesses; and

WHEREAS, it is not the intent of the Board of Selectmen to condone or legitimize the distribution of obscene material, and the Board recognizes that State and federal law prohibits the distribution of obscene materials and expects and encourages State law enforcement officials to enforce State obscenity statutes against any such illegal activities in the Town.

This Ordinance is adopted pursuant to the enabling provisions of Article VIII, Part 2, Section 1 of the Maine Constitution; the provisions of the Municipal Home Rule Authority (30A MRSA 3001 et seq) and the provisions of the Planning and Land Use Regulation Act, Title 30-A MRSA Section 4312 et seq.

Persons or entities wishing to establish a Sexually Oriented Business or obtain employment with a sexually oriented business within the Town of Farmington shall first obtain a permit/license from the Farmington Board of Selectmen (hereinafter “the Municipal Officers”) and shall be subject to the provisions of this Ordinance.

11 - 12.3 Purpose:

A. Purpose. It is the purpose of this Ordinance to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of the Town, and to establish reasonable and uniform regulations to prevent the deleterious location and concentration of sexually oriented businesses within the Town. The provisions of this Ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. Similarly, it is not the intent nor effect of this Ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this Ordinance to condone or legitimize the distribution of obscene material.

B. Findings. Based on evidence concerning the adverse secondary effects of adult uses on the community presented in hearings and in reports made available to the Municipal Officers, and on findings incorporated in the cases of City of Renton v. Playtime Theatres, Inc., 475 U.S. 41 (1986), Young v. American Mini Theatres, 426
U.S. 50 (1976), and *Barnes v. Glen Theatre, Inc.*, 501 U.S. 560 (1991), and on studies in other communities including, but not limited to, Phoenix, Arizona; Minneapolis, Minnesota; Houston, Texas; Indianapolis, Indiana; Amarillo, Texas; Garden Grove, California; Los Angeles, California; Whittier, California; Austin, Texas; Seattle, Washington; Oklahoma City, Oklahoma; Cleveland, Ohio; and Beaumont, Texas; and also on findings from the Report of the Attorney General's Working Group On The Regulation Of Sexually Oriented Businesses, (June 6, 1989, State of Minnesota), the Municipal Officers find:

1. Sexually oriented businesses lend themselves to ancillary unlawful and unhealthy activities that are presently uncontrolled by the operators of the establishments. Further, there is presently no mechanism to make the owners of these establishments responsible for the activities that occur on their premises.

2. Certain employees of sexually oriented businesses defined in this Ordinance as adult theatres and cabarets engage in higher incidence of certain types of illicit sexual behavior than employees of other establishments.

3. Sexual acts, including masturbation, and oral and anal sex, occur at sexually oriented businesses, especially those which provide private or semi-private booths or cubicles for viewing films, videos, or live sex shows.

4. Offering and providing such space encourages such activities, which creates unhealthy conditions.

5. Persons frequent certain adult theatres, adult arcades, and other sexually oriented businesses for the purpose of engaging in sex within the premises of such sexually oriented businesses.

6. At least 50 communicable diseases may be spread by activities occurring in sexually oriented businesses, including, but not limited to, syphilis, gonorrhea, human immunodeficiency virus infection (HIV-AIDS), genital herpes, hepatitis B, Non A, Non B amebiasis, salmonella infections and shigella infections. The number of estimated new annual cases of sexually transmitted diseases in Maine is 58,300.

7. Since 1981 and to the present, there has been an increasing cumulative number of reported cases of AIDS caused by the human immunodeficiency virus (HIV) in the United States -- 600 in 1982, 2,200 in 1983, 4,600 in 1984, 8,555 in 1985 and 253,448 through December 31, 1992. Since 1992 new cases have leveled at 40,000 per year about half of which (20,000) are acquired through sexual contact. Currently there are about 500,000 cases of AIDS that have resulted from sexual contact.
8. Through December 1998, there have been 836 reported cases of AIDS in the State of Maine with 462 deaths. Thirty-three newly identified cases, including 26 men and 7 women, were reported from January through December in 1998.

9. Since 1981 and to the present, there have been an increasing cumulative number of persons testing positive for the HIV antibody test in the State of Maine.

10. The number of cases of early (less than one year) syphilis in the United States reported annually has risen, with 33,613 cases reported in 1982 and 45,200 through November of 1990. In 1998, in the State of Maine, 1 case of early syphilis was reported.

11. The number of cases of gonorrhea in the United States reported annually remains at a high level, with over one-half million cases being reported in 1990. In 1998, in the State of Maine, 67 cases of gonorrhea were reported.

12. The number of case of chlamydia in the United States reported annually also remains at a high level. In 1998, in the State of Maine, there were 1,073 cases reported. Estimated new annual cases of sexually transmitted diseases in Maine is 58,300 at a cost of $32,000,000.

13. The surgeon general of the United States in his report of October 22, 1986, has advised the American public that AIDS and HIV infection may be transmitted through sexual contact, intravenous drug abuse, exposure to infected blood and blood components, and from an infected mother to her newborn.

14. According to the best scientific evidence, AIDS and HIV infection, as well as syphilis and gonorrhea, are principally transmitted by sexual acts.

15. Sanitary conditions in some sexually oriented businesses are unhealthy, in part, because the activities conducted there are unhealthy, and, in part, because of the unregulated nature of the activities and the failure of the owners and the operators of the facilities to self-regulate those activities and maintain those facilities.

16. Numerous studies and reports have determined that semen is found in the areas of sexually oriented businesses where persons view "adult" oriented films.

17. The findings noted in paragraphs 1 through 16 raise substantial governmental concerns.

18. Sexually oriented businesses have operational characteristics which should be reasonably regulated in order to protect those substantial governmental concerns.

19. A reasonable permitting procedure is an appropriate mechanism to place the
burden of that reasonable regulation on the owners and the operators of the sexually oriented businesses. Further, such a permitting procedure will place a heretofore nonexistent incentive on the operators to see that the sexually oriented business is run in a manner consistent with the health, safety and welfare of its patrons and employees, as well as the citizens of the Town. It is appropriate to require reasonable assurances that the permittee is the actual operator of the sexually oriented business, fully in possession and control of the premises and activities occurring therein.

20. Removal of doors on adult booths and requiring sufficient lighting on premises with adult booths advances a substantial governmental interest in curbing the illegal and unsanitary sexual activity occurring in adult theatres.

21. Requiring permittees of sexually oriented businesses to keep information regarding current employees and certain past employees will help reduce the incidence of certain types of criminal behavior by facilitating the identification of potential witnesses or suspects and by preventing minors from working in such establishments.

22. The disclosure of certain information by those persons ultimately responsible for the day-to-day operation and maintenance of the sexually oriented business, where such information is substantially related to the significant governmental interest in the operation of such uses, will aid in preventing the spread of sexually transmitted diseases.

23. It is desirable in the prevention of the spread of communicable diseases to obtain a limited amount of information regarding certain employees who may engage in the conduct which this ordinance is designed to prevent or who are likely to be witnesses to such activity.

24. The fact that an applicant for an adult use permit has been convicted of a sexually related crime leads to the rational assumption that the applicant may engage in that conduct in contravention of this Ordinance.

25. The barring of such individuals from the management of adult uses for a period of years serves as a deterrent to and prevents conduct which leads to the transmission of sexually transmitted diseases.

26. The general welfare, health, and safety of the citizens of the Town will be promoted by the enactment of this Ordinance.

11 - 12.4 Conflict with Other Ordinances:

Whenever a provision of this Ordinance conflicts with or is inconsistent with other provisions of this Ordinance, or of any other ordinance, regulation or standard, the more restrictive provision shall apply.
