

### Celebrating Downtown Businesses

In the Time of Coronavirus

Brought to you by the  
Farmington Downtown Association

# Summer Fest - A Ray of Sunshine

Greetings to all our friends:

By June 1, it had become abundantly clear that Summer Fest would have to drastically change its course if we were to have it at all. We understood that, due to Covid-19, our recent way of running Summer Fest was out of the question. While most fairs and festivals were making the decision to close this year because of what we cannot do, we asked ourselves, "What CAN we do?". We realized that we can carry on in the same spirit of mutual caring and support between community members and local businesses. We are shifting our focus from giving back to the community to giving back to the businesses who have been affected by Covid-19 in the past few months. Summer Fest 2020 invites everyone to come into town on July 25th and shop at your favorite stores. Check out new businesses and take advantage of all the sales and specials! Enjoy the music, take in the festive décor and let Summer Fest be a little ray of sunshine in your life.

We thank you for the opportunity to serve and be involved in all the wonderful festivities over the past few years. Keep the faith!

~ Your Grateful Summer Fest Organizers

Many thanks to all the volunteers from the community at large and the Farmington Downtown Association for their time and efforts from 2015 - 2020.

## Farmington Historical Society

Join the ladies from the Suffrage Movement for a glass of iced tea in front of the Octagon House, as the Farmington Historical Society celebrates Summerfest. The Octagon House will be open for small numbers of guests at a time. There will be a tour signup sheet at the table. Various items will be offered for sale for a small donation: note cards and prints by Shirley Lorette, the new Farmington T-shirts, assorted coffee mugs and Sandy River Railroad books.
