

MaineDOT

Notice of Formal
ON-DEMAND PUBLIC
MEETING
Farmington-Chesterville

Due to COVID 19 precautions, this public meeting will be conducted on-demand.

**To Discuss the Proposed Replacement
of Farmington Falls Bridge #2273
between Farmington and Chesterville**

**Access to this and other meetings are
available through our website: www.mainedot.gov/vpi**

The meeting provides the opportunity for public comment.

MaineDOT will have an online presentation available starting August 5, 2020 that will act as our Formal/Final Public Meeting. This presentation gives information on the proposed replacement of the Farmington Falls Bridge #2273 over the Sandy River, located on the Chesterville-Farmington Falls town line.

The Department is conducting this public meeting to inform and invite public comments. We are particularly interested in learning local views, discovering local resources, and identifying local concerns and issues. Anyone with interest is asked to view the presentation at the link above and take the opportunity to provide comments within the presentation.

MaineDOT invites and encourages you to review the website and share your thoughts on this project until August 19, 2020.

Accommodations will be made for persons with disabilities.

Questions, comments, or inquiries can be made directly through the project website or directed to the attention of Michael Wight, Project Manager, Maine Department of Transportation, Bridge Program, 24 Child Street, 16 State House Station, Augusta, Maine 04333-0016. Phone: 207-592-2543. Email: michael.wight@maine.gov
