

SHHHH!!!

Please join us for a SURPRISE "Drive-by Goodbye" on Friday, November 6th at 1:00 p.m. as we say goodbye to our beloved Chief Jack D. Peck, Jr.

The chief will be posted behind Farmington Town Hall where vehicles are welcome to drive by and wish him well, entering from the right side of the building around to the back, and exiting at the far end by the Farmington Fire Department.

Feel free to make posters, decorate your vehicles, and honk your horns!!

Due to social distancing restrictions and traffic safety, we ask that you do not stop or exit your vehicle at any time during the procession. We realize this is an unconventional way to say goodbye, but truly hope you'll join us in making it memorable for Chief Peck!
