Referendum Question – Walton’s Mill Dam

Shall the Town enter into an Agreement with the Atlantic Salmon Federation (ASF) to remove the Walton’s Mill Pond Dam (estimated cost \$500,000), to make improvements at Walton’s Mill Pond Park including the construction of more parking, a small flexible lawn space, wooden walkways, public restroom, covered pavilion, trail improvements and historical preservation elements (estimated cost \$355,000), and to establish an ASF funded account to be managed by the Town for future maintenance of the park improvements (\$20,000) and to support the replacement of culverts on Clover Mill Road (estimated cost \$120,000) and Cummings Hill Road (estimated cost \$230,000). The work on each project will be fully funded by the ASF (total estimated cost \$1,225,000) with **no Town investment** as stipulated in a contract between ASF and the Town, the terms and conditions of which will be negotiated between ASF and the Selectmen acting in the best interests of the Town.
